

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed \$300.

(f) Liability for and recovery of Federal Perkins loans and FSEOG overpayments.

(1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, a student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her. An FSEOG overpayment for purposes of this paragraph does not include the non-Federal share of an FSEOG award if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(2) The institution is liable for a Federal Perkins loan or FSEOG overpayment if the overpayment occurred because the institution failed to follow the procedures in this part or 34 CFR parts 668, 674, or 676. The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment.

(3) A student is not liable for, and the institution is not required to attempt recovery of, a Federal Perkins loan or FSEOG overpayment, nor is the institution required to refer an FSEOG overpayment to the Secretary, if the overpayment—

(i) Is less than \$25; and

(ii) Is neither a remaining balance nor a result of the application of the overaward threshold in paragraph (d) of this section.

(4)(i) Except as provided in paragraph (f)(3) of this section, if an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to pay the overpayment, makes the student ineligible for further title IV, HEA pro-

gram funds until final resolution of the overpayment.

(ii) If a student objects to the institution's Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Except as provided in paragraph (f)(3) of this section, if a student fails to repay an FSEOG overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the FSEOG overpayment after the institution has taken the action required by paragraph (f)(4) of this section, the institution must refer the FSEOG overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. After referring the FSEOG overpayment to the Secretary under this section, the institution need make no further effort to recover the overpayment.

§ 673.6 Coordination with BIA grants.

(a) *Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs.* To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From resources other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.

(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution's determination of that student's financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student's need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.

(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if requested to do so by a student and the institution believes the change benefits the student.

(d) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

§ 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—
(1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

(2) The FWS allocation, if the institution provides FWS employment to students in that award year; and

(3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

(1) Five percent of the first \$2,750,000 of the institution's total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

(2) Four percent of its expenditures to students that are greater than \$2,750,000 but less than \$5,500,000; plus

(3) Three percent of its expenditures to students that are \$5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution's expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

(1) Developing mechanisms to assure the academic quality of a student's experience;

(2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

(3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.

(g) If an institution charges any administrative cost allowance against its Federal Perkins Loan Fund, it must charge these costs during the same award year in which the expenditures for these costs were made.
